Parking Prohibitions: An Ordinance to amend Section 15-48, Parking Prohibited or Restricted in Specific Places, of the York County Code, to:

1. Amend subsection (a), *Secondary System Highways*, to add Glen Laurel Way (State Route 1069) to the list of Secondary System streets where parking is prohibited. The proposed restrictions would prohibit parking on the subject streets between the hours of 7:00 am and 3:00 pm., Monday through Friday.
2. Amend subsection (c), *Parking of certain classifications of vehicles in certain designated areas*, to add all streets in the current, and any future, sections of the Running Man and Victory Meadows subdivisions to the list of specific areas where parking of certain classifications of commercial, recreational and passenger carrying vehicles on public streets is prohibited. Such prohibitions shall apply to all streets currently in the Secondary System of Highways and shall become effective as to any new streets at such time as they are officially accepted by the Virginia Department of Transportation.

Right-of-Way Abandonment: A Resolution, being considered pursuant to Section 33.1-151 of the Code of Virginia (1950, as amended), to abandon the segments of State Route 1122 (Old Williamsburg Yorktown Road) and State Route 640 (Water Country Parkway/Old York Road) located on the south side of Route 199 adjacent to Water Country, USA. The subject segment of Route 640 is a variable width right-of-way, approximately 2,100 feet in length, with approximately 525 feet of its length improved and maintained as an entranceway to Water Country, USA. The subject segment of Route 1122 is a 30-foot right-of-way, approximately 3,400 feet in length, and is unimproved and not currently maintained. The purpose of the abandonment is to facilitate the commercial entrance improvements and site development to be undertaken in conjunction with the proposed Marquis retail center.
